

ANGEL TREE NEEDS LIST

We have several areas where we need help. One is for *volunteers* for the party. We need people to help set up, decorate, help at the party, clean up, etc. There are sign-up sheets in the foyer at the Angel Tree Table. Party volunteers with children may bring them to the party.

Another, important need is *gifts* for the “Secret Room”. This room isn’t really a secret, as all of our caregivers know what’s happening in there. We set up one of the rooms to look like a pretty boutique-type store. The kids come in the room by themselves and choose a gift for their caregiver. Then they go in another room, and we help them wrap it.

BUT, in order for this to work, we need gifts for men and women. These can be new, or **gently** used. They can be all sorts of things, from big to small. Some ideas are:

Costume jewelry (small boxes are awesome additions!)

Candles

Small Tools (screwdrivers, tape measures, etc)

Flashlights (with batteries)

Perfume (new)

Bath Stuff of all kinds

Gift Sets

Candy dishes, etc.

Candy, [boxed chocolates, etc]

Coffee mugs

Pretty blankets

Many more possibilities...that gift you opened and said “oh gee, you shouldn’t have!” and you meant it...bring me that!

One last need: *Christmas decorations* you no longer use/need/want. Some of our families have little resources and each time we have set up a “Christmas giveaway table” it’s almost always wiped out. No broken items please.

THANK YOU IN ADVANCE! Any questions; see Tom or Barbara or you can **text** Barbara at 321-355-9705
